Centre for Educational Development is an endeavor of like-minded professionals working for enrichment of schools and seeks to empower and support the teaching fraternity to enrich school environment and redefine the national guidelines for a better future of our empowered children. For two days, about 500 delegates will participate, debate and share new practices for imparting education in a better way to meet the expectations of 21st century learners.

The First EdusummIT will feature in-depth insights of present education scenario by top most thought leaders, stake holders & experts from the country. The EdusummIT will empower all the Eduleaders its challenges and solutions for developing education in a better way for the schools.

Education is a diversified term as it includes pre-school education, school education and higher education. Now a days, education is not limited to chalk and board only but Information Communication Technology (ICT) plays a very important role in teaching-learning process. The Grand EdusummIT will have Round Table Discussions, Panel Discussions on the theme "Innovations in learning"

Today, the growing role of innovation and technology in education sector is too overwhelming for members of any progressive society to ignore it. It is serving as a useful tool to help our schools by delivering the information and knowledge effectively. The First EdusummIT will recognize the innovation and creativity of school leaders & Institutions in the form of Dr. Sarvepalli Radhakrishnan Excellence Awards.

Dr. K.C. Satapathy is an acclaimed educationist of national repute, a caring benefactor and a able captain who has spread education far & wide for the benefit of school children. Centre for Educational Development feel honour to acknowledge the great educationist as LIFETIME ACHIEVEMENT AWARD - 2017

The ceremony will take place at Sandy's Tower, Bhubaneswar, Odisha on 10th December 2017 during the EdusummIT and EduawarDS.
